ADDITIONAL PRIORITY CLAIMS

No additional material claim signal was retained beyond the finding shown on page 1.

PRIORITY ACTIONS

1	Review client-facing green claims under EmpCo Review the exact consumer-facing environmental wording used by Puratos. Confirm scope, product coverage, methodology, evidence, verification basis and limitations before reuse.
2	Substantiate high-priority social claims For retained social claims, document stakeholder scope, KPIs, audit or workforce evidence, grievance and remedy arrangements, and clear limitations.
3	Build a claim evidence file Create one evidence file per priority claim, including approved wording, source, owner, evidence link, review status, approval date and next review deadline.
